These financial statements are the responsibility of the Society's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes, examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.

- A. We have obtained all the information and explanation which to the best of our knowledge and belief, were necessary for the purpose of our audit.
- B. In our opinion, proper books of accounts as required by the Foreign Contribution [Regulation] Act, 2010 (42 of 2010) and the Foreign Contribution [Regulation] Rules, 2011 have been kept by the society so far as appears from our examination of these books.
